Form

NEWMAN SUPPLY AUTHORITY REQUEST FOR POWER

NOTES

- 1) These charges apply only when a suitable low voltage mains supply exists in the street in front of the site address. If these mains do not exist then works required to extend the network will incur an additional charge.
- 2) If an Electrical Contractors' Preliminary Notice is required, Newman Supply Authority will not start to perform the service until it has been received in conjunction with the Newman Supply Authority Request for Power Form.
- 3) Newman Supply Authority will not energise a connection or reconnection until we have received a Completion Notice from your electrical contractor. This is a regulatory requirement.
- 4) These charges are for services up to 32 amps 3 phase, 63 amps single phase. For loads above this, the network may need to be upgraded. If so, a separate quote will be issued for the upgrade.
- 5) The installation of a three-phase meter may incur additional retail charges.
- 6) If it is necessary to relocate Newman Supply Authority assets, costs will apply. Please call (08) 9175 3386 for further information.
- 7) Mandatory Electrical Testing Required.
- 8) Mandatory Electrical Testing may not be required depending on the task. Contact the Newman Supply Authority for confirmation.
- 9) Account details are to be provided to where reflected costs are to be invoiced. If there are not account details available, please contact Newman Supply Authority.

TERMS AND CONDITIONS

These terms and conditions shall form part of the contract unless modified in writing by an authorised representative of Newman Supply Authority.

Payment: Payment is due 30 days from the date of Newman Supply Authority's invoice.

Credit Check: Newman Supply Authority is authorised to inquire as to the credit worthiness of an Applicant and retains the right to decline to perform or further perform the Services whenever Newman Supply Authority does not receive an acceptable credit reference (in its sole opinion). The Applicant acknowledges and agrees that it shall have no claim or right or cause of action against Newman Supply Authority by reason of Newman Supply Authority declining to perform or further perform the Services in the circumstances described in this clause.

Start and Finish of Works: Newman Supply Authority does not guarantee to perform the Services by a stipulated time from its acceptance of this request.

Force Majeure: Newman Supply Authority shall not be liable to the Applicant for any loss, damage or expense caused by attributable failure or delay in its performance of the Services, due to force majeure. "Force Majeure" means any cause or event which is not reasonably within the control of the party affected and includes Acts of God; strikes; lockouts; stoppages or restraints of labour or other industrial disturbances; wars, acts of public enemies, riot or civil commotion or sabotage; fire, explosion, earthquake, landslide, flood, washout, lightning, storm or tempest; breakdown or an accident to plant, machinery, equipment, lines or pipes howsoever caused; failure of suppliers to supply equipment or machinery; and restraints, embargoes or other actions of any government.

Consequential Loss: Damages shall be limited to damages for direct and foreseeable loss attributable to breach or default under this Agreement. The right of either party to damages for indirect or consequential loss is expressly excluded. Neither party shall be liable to the other for any loss of profit suffered by a party to this Agreement or any other person.

Modification: A purported modification, variation or amendment of this Agreement including the scope of works or any waiver of any rights of any party or any approval or consent shall have no effect unless in writing and signed by both parties.

Application of Acts and By-Law: Nothing contained in these Terms and Conditions shall in any way limit the operation or effect of the Electricity Corporation Act 1994, Energy Operators (Powers) Act 1979, or any Regulations, By-Laws or Orders made pursuant to those written laws.

Additional Charges: Work is limited to the Services unless expressly stated in writing and signed for and on behalf of Newman Supply Authority. Cancellation or revision of Services will result in an Administration fee of \$345.00 Inc. of GST being deducted from the refund cheque or added to the revised quote or payable in advance of the revision. Extra charges apply for work done outside of normal Newman Supply Authority working hours.
